State Head Raps Cahill

A controversy over the proposed Bayshore freeway route past Mills Fields seems to be developing between San Francisco and state officials.

The State Highway Commission four months ago agreed to relocation of the proposed freeway in the vicinity of Mills Field, as requested by San Francisco officials, if San Francisco would pay the difference, State Public Works Director Frank W. Clark asserted yesterday in Sacramento.

Clark charged that E. G. Cahill, San Francisco utilities manager, inspired widespread criticism of the highway commission. Cahill last week said San Francisco wanted the freeway route moved 1300 feet west of Mills Field, San Francisco's municipal airport, to prevent traffic snarls at the airport entrance and to provide ample space for the airfield's future development.

Moving of the highway route to pass the field in a gradual curve could be accomplished for about $445,200 more than the freeway as now planned would cost, Clark said. Clark said that on Mar. 6 the commission sent letters to Cahill, Mayor Rossi and the San Francisco Board of Supervisors, informing them the change would be approved if the city would pay the difference in cost. No answer was received, the public works director said.

Electricity is displacing the grenade harpoon in whale hunting.

The Villain, Dowager, Detective and Victim!

The villian, the rich dowager, a private detective and the intended victim, as represented by Douglass Dumbrille, Margaret Dumont, Groucho Marx and Tony Martin in "The Big Store," hilarious new Marx Brothers gloom-chaser, which opens Sunday on the Fox Sequoia screen. Celebrating the Marxes eleventh year as screen comedy stars, the new picture centers about a trio of department store detectives on the trail of a killer, with five gay musical numbers interspersed in between the laughs. Virginia Grey is cast opposite Martin in the romantic lead, and the production was directed by Charles Riesner.

15 Motorists Fined In Local Justice Court

Fifteen motorists paid speeding fines when they appeared before Justice of the Peace Edward I. McAuliffe at Redwood City during the past week, and six more paid fines for failing to observe arterial stop signs.

Edgar G. Sharp, 23, Palo Alto, paid $10 for speeding and failure to observe a stop sign, and Eugene J. Hartman, 20, San Francisco, paid $10 for speeding. Fines of $5 each for speeding were paid by Louis Harris, 39, San Jose, Tony Gelini, 29, San Francisco, and Carmelite L. Elsener, San Mateo.

Fines of $2.50 each for failing to observe stop signs were paid by Hattie Gibbs, 42, 2934 Crocker Ave., Redwood City; G. H. Peterson Jr., 20, 27 Reese St., Redwood City; R. E. Perussina, 21, Burlingame; Orville D. Hanners, 23, 720 Upton St., Redwood City, and Einar A. Erickson, 42, San Mateo. A $5 fine for the same offense was paid by George Scholte, 81 Dexter St., Redwood City.

Fines of $2.50 each for speeding were paid by E. L. Smith, Camp Roberts; Robert Bernard, Emerald Lake; Robert E. Mau-

MENLO PARK NEWS

Miss Carmel O'Keefe leaves today for Lake Tahoe where she will spend two weeks with San Francisco friends who own a large campsite on the lakeshore.

A rumor is current that some changes in the Menlo Park Police Department are soon to take place. What they will be no one seems to know.

Under the auspices of Sacred Heart Convent a concert will be held at the convent on Sunday afternoon, July 20, at 4 o'clock. Friends of the school from San Francisco and the Peninsula will be present.

Officer Nelson of the local police force is enjoying a two-week vacation in the East. Chief Kearney will take his vacation on Nelson's return.

Four pieces of property were sold this week in Felton Gables to San Francisco residents who plan to erect modern homes on them shortly. Felton Gables is one of the choicest residential sections of the Peninsula.

Newcomers to Menlo Park are the newlywed Mr. and Mrs. Warder, San Francisco; L. M. Bohnett, San Jose; G. N. Deffterios, San Francisco; E. E. Hurtado, Berkeley; Charles E. Pridey, Palo Alto; Maxwell A. Myers, San Francisco; Robert H. Keeler, San Francisco; Terris A. Manley, Burlingame.

Redwood City USO Goal Is Reached

"We're over the top," was the announcement Tuesday morning by Howard I. Wood, director of the Redwood City drive for funds for the United Service Organizations.

With a community quota of $2250 to raise in the campaign, the total was reached after the city council appropriated $100 for the fund at its meeting last night.

While most communities in the country had finished their drive ahead of the local group, Wood pointed out that the Redwood City campaign got started 12 days later than most of the drives throughout the country and it has taken less than a month of actual work to finish the job here.

The campaign in Redwood City was handled in two parts with a committee first canvassing business establishments for major gifts and all service, civic and fraternal organizations following with concerted individual solicitations to make up the balance.

Some of the clubs have yet to turn in their final contributions, Wood said, and with $2250 in cash collected to date, in addition to a few pledges, the local drive will have more than its quota to turn over to the national organization which will operate recreational facilities for service men in training camps.

Contributions still will be received by the chamber of commerce and turned over to the general committee. The committee will hold its final meeting on Monday evening and liquidate the drive at that time, Wood said.

Aluminum Drive Plans Made by Exchangites

Further plans for the scrap aluminum drive to be held here July 21-26 were made by members of the Redwood City Exchange Club last night at a business meeting at which it was also decided to sponsor an entrant in the Kiwanis Club-Davies

ren Cleary, who have taken the house at 947 Lee Dr., where they will live while Mr. Cleary completes his course at Stanford University, where he will be graduated next December.

New Manager Of R.C. Store

(Photo by Murray Studio)

Sidney Eiger (above), formerly of Long Beach, has been named manager of Kirby's Shoe Store in Redwood City, to succeed Wayne Springer, who has been transferred to Long Beach as divisional manager. Eiger, who is already making his home in Redwood City, formerly managed stores in Santa Rosa and Sacramento for the Kirby firm, with which he has been connected several years.

The loss of insured turkeys during the midwestern blizzard last Fall was so great that some companies no longer will insure them.

Auto Co. soap box derby set for July 20.

Redwood City Youth Dies In Attempt To Save Girl

Robert George Fultz, 25, Redwood City automobile mechanic, Saturday afternoon lost his life by drowning when he attempted to rescue his companion, Miss Connie Dayton, Menlo Park, when the latter fell into the Stevens Creek Reservoir near San Jose.

Fultz and Miss Dayton were spending the afternoon at the reservoir, accompanied by Leonard Merta of Redwood City and Patricia Abel of Menlo Park.

Walking near the bank, Miss Dayton slipped into the water and went under, according to the story told by Laura Gilstrap, San Jose, the only person to see the mishap. Fultz went in to pull the girl out but failed to come up.

Fred Cannon, San Jose, dived in and brought Miss Dayton ashore safely but it was ten minutes before Fultz could be located.

When Fultz' body finally was recovered, a San Jose ambulance crew tried for nearly two hours to revive him with artificial respiration before he was pronounced dead.

New Directors Named By Commuters' Club

Two new members were added to the board of directors of the Commuters' Club last night following a recent vote of the club to raise the personnel of the board from 10 members to 12.

Elected were John J. Eshleman of Selby Ln., and Stanley Perkins of Emerald Lake. Both are bus commuters.

W. B. Curran, president of the club, turned over to the organization the trophy won in the recent July 4 parade.

During its lengthy meeting the club agreed to sponsor Cub Pack 16 in addition to Boy Scout Troop 160.

Court House Annex To Get New Furniture

Twenty-four thousand dollars will be set aside in the new fiscal year's budget for furnishing the new courthouse annex, the board of supervisors disclosed.

The board instructed County Executive Fdereick Peterson to proceed immediately with the furnishing of the addition, which has been completed and is now being painted. Peterson was instructed to advertise for bids for the furnishings.

Moving of the county health and welfare department clinic into the lower floor of the annex will account for the bulk of the furnishing expenses, supervisors said. The district clinic is now at 220 Marshall St., Redwood City.

Telephone Firm Names New Manager Here

Appointment of Raymond G. Drake, Redwood City manager of the Pacific Telephone and Telegraph Company, as manager of the Palo Alto office of the company was announced here by W. E. Williams, district manager. He will be succeeded here by Milton A. Gooding, present manager of the Merced office of the company. The new appointments are effective July 15.

Drake has been manager of the Redwood City office of the company for the past four years.

While in Redwood City, Drake took an active part in civic affairs. He was a director of the Kiwanis Club and also took a keen interest in the work of the chamber of commerce.

Gooding has been in his present assignment as manager of Merced since 1939.

Guy Lombardo Picks Number For Current "Salad Serenade"

Director of the Sweetest Music This Side of Heaven Picks Favorite Salad

WHAT number does a famous band leader choose when he sits down to play on his palate?

That's the question we asked sweet-music maker Guy Lombardo about the "Salad Serenade" now being featured by food merchants throughout the town.

Says he: "Sylph Salad makes a perfect warm-weather snack. Just as light and appetizing as it sounds, but satisfying, too!"

Here's the recipe for Guy Lombardo's favorite:

Sylph Salad

4 pineapple sections, cut lengthwise
1½ cups honeydew melon balls
1½ cups watermelon balls
4 orange sections, free from membrane
Romaine Watercress
Rhubarb curls
Fruit Juice Mayonnaise*

Cut washed, unpeeled, tender rhubarb stalk in half and then into very thin lengthwise strips about ⅛ inch wide. Leave in ice water until curled. Arrange pineapple, melon balls and orange on romaine (or lettuce) on a chop plate. Garnish with watercress and rhubarb curls. Serve with *Fruit Juice Mayonnaise, made by blending together thoroughly 1 cup Best Foods real mayonnaise, 5 teaspoons pineapple juice, and 1 teaspoon lemon juice. Makes 4 succulent portions.

GUY LOMBARDO

Newlywed Barretts Leave For Santa Monica

The newlywed Mr. and Mrs. J. Gene Barrett Jr. (Doris Arnold) left Monday to establish their home in Santa Monica where Mr. Barrett is engaged in defense armament work at the Douglas Aircraft Co.

After receiving instruction in the Episcopalian marriage service from the Rev. Schuyler Pratt of St. Peter's Episcopal Church, the couple left for Reno where the Rev. Henry B. Thomas of St. Stephens University Chapel married them Saturday at noon.

The bride, granddaughter of Mr. and Mrs. Charles Arnold of Dumbarton Ave., was given in marriage by her grandfather. The benedict chose his uncle, John J. Owens, as his best man. The ceremony was witnessed also by the parents of the benedict, Mr. and Mrs. J. Gene Barrett Sr. of Redwood City.

The wedding party returned to Redwood City late Saturday. After receiving congratulations from friends and other relatives Sunday, the couple left for the south.

Both the newlyweds are well known in Redwood City, where they attended Sequoia High School.

Recipes

GARDEN PATCH SALAD

Best Foods Real Mayonnaise
Best Foods French Dressing
1 medium sized head cabbage
¾ cup cooked diced carrots
1 cup cooked peas
½ cup diced celery
¾ cup cooked diced beets
3 tablespoons chopped onion

Hollow out a firm head of cabbage, leaving a shell. Slice removed cabbage very thin and put back in shell. Marinate carrots, peas, celery and onion in French Dressing and place in refrigerator for an hour. Just before serving, toss together marinated vegetables and beets. Fill cabbage shell. Serve with Real Mayonnaise.

★ ★ ★

RIVIERA FRUIT SALAD

8 grapefruit sections, free from membrane
1 red skinned apple
Romaine or salad greens
Lemon juice
Watercress
Best Foods Real Mayonnaise

Quarter grapefruit lengthwise, remove fruit from shell and separate into sections, free from membrane. Cut apple into ½ to ¾ inch thick sections lengthwise and cover with lemon juice to prevent discoloring. Arrange on salad greens in quartered grapefruit shells, alternating apple and grapefruit sections. Garnish with watercress. Serve with Real Mayonnaise.

Thief Breaks Door, Takes Store's Receipts

Loss of an estimated $80 or $100 to someone who kicked the glass out of the front door of the Robin Hood Creamery at 2219 Broadway, Redwood City, sometime early Saturday was reported by Edward Christiansen, proprietor, who said that apparently some cigarets also were taken. He said the money represented receipts that had been hidden in the store when it was closed at 1 a.m. Police officers patroling the downtown area discovered the broken door about 4. Money in the cash register was not taken, Police Chief C. L. Collins said.

HIT-RUNNER WINS MERCY

Two years' probation for hit-run driving was granted Edward W. Souter, 20-year-old Half Moon Bay youth, by Superior Judge A. R. Cotton late yesterday. Terms of probation provided that Souter make compensation for medical treatment required by a middle-aged San Francisco deaf mute who was knocked down by Souter's car.

There were an estimated 26,000,000 milk cows on farms in the United States last Jan. 1.

83 YEARS OF SERVICE TO HOMES AND INDUSTRY

Johns-Manville Journal

JOHNS MANVILLE JM PRODUCTS

Teamwork in Industry Speeds National Defense Production

J-M's 17 U. S. Plants Work Together to Help Other Firms

Teamwork in American industry makes possible the speedy production of vast amounts of materials needed for national defense.

Johns-Manville has a great team of 17 plants scattered over the United States which work together as the part of a greater team.

The really great team is American industry as a whole.

Johns-Manville serves as the "team of American industry" by supplying industry with products which help plants operate more efficiently

and which help them to develop new and improved products of their own.

A few of the many other industries which are now a vital part of the defense picture and which are supplied by J-M are: Automotive. Construction. Chemical Aviation. Oil. Railroad. Steel. Shipbuilding. Food. Pulp and Paper and Utilities.

Arsenal of Democracy Is Dependent Upon Cooperation of All

In many ways J-M products help these and other industries to increase efficiency. Of course, J-M depends on other industries for help, too.

This is only one example of the teamwork between American industries which will make America, the greatest industrial nation of the world, the "Arsenal of Democracy."

WHY FRANCE COLLAPSED

The Battle of America can be won if Americans avoid the pitfalls that led to France's collapse, Andre Chariamboff, former J-M representative in France, said recently on his arrival in this country. It took Mr. Chariamboff nearly a year to escape from France following the surrender of Paris. He intends to leave for England soon as a member of the Free French Forces of General de Gaulle, he tells us.

France's collapse came from within, Mr. Chariamboff said, because of Communists, Fifth Columnists, sitdown strikes, stoppages and selfish politicians. Urging Americans to remain united in the present emergency, he warned:

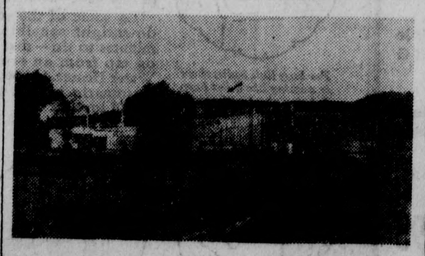
"You will lose the Battle of America if you permit anybody or any group to keep you disunited or if you tolerate any stoppages of production for national defense. Production today is what will win this war for democracy. And this country of yours, the greatest producer in the world not only of foodstuffs but the machines by which modern war is waged, can win the Battle of America and democracy—but there is not a moment to be lost.

"If you were to ask me the question, 'What should be done to avoid the mistakes of France?' I would answer you with just one word—'Work.'

J M Pipe Buried For 6,000 Years

A length of J-M Transite pipe is buried in Georgia—to remain there for 6,000 years. It is being used to protect Oglethorpe University's "Crypt of Civilization," a collection of phonograph records, newspapers, film and other materials which scientists hope will be dug up 180 generations from now.

Barring any violent changes in the earth's surface, there is a good chance that the pipe will remain intact during these centuries because Transite, a combination of asbestos and cement, will not rot.



J-M FAMILY ALBUM

Expanding New J-M Plant—Because of increased demands brought on largely by the national defense program, J-M officials recently approved expenditures for doubling the capacity of J-M's new plant in Zelienople, Pa. It is hoped that the new facilities will be completed by the first of the year. The principal J-M product manufactured at this plant is a new type of insulating fire brick for use in industrial furnaces, ovens and other equipment.

Local Change

County Library Still Widely Used Although Not Serving Redwood City

By WILLIS H. HOMAN

Recent action of the Redwood City City Council in cutting off city funds that previously have been paid to the support of the San Mateo County Free Library will have no bearing on the operation of the county library here, except in denying persons living within the limits of the city use of the library's books.

Clara B. Dills, county librarian, today explained that the county library would continue to function as usual and would maintain all of its former services except the loaning of books to the Redwood City Public Library.

Redwood City, in the past, has paid some $3000 yearly to support of the county library, in return for which local citizens were permitted to borrow county books through the city library. Under the new setup this is no longer permitted, Miss Dills said, but no other changes will be made in the county organization.

All reference books at the county library still will be available to Redwood City residents who care to use them in the library but they may no longer borrow them.

APPROVES ACTION

Miss Dills said the action of the Redwood City council in ceasing to support the county library and using the funds so saved for expansion of the city library's facilities was an excellent one and she said she believed it would be but a short time until Redwood City would be able to give its library clients greatly improved service because of the additional funds the new system would make available to the city unit.

In addition to the main county library here, 25 branches are maintained in various parts of the county and service is extended to 34 schools.

At present, the county library system owns nearly 200,000 books, Miss Dills said, and about 100,000 of these are in the schools. The others are in stock at the main library or the branches and are constantly being changed from one point to another to afford the greatest possible circulation for each volume.

BOOKS IN DEMAND

Needs of the reading public vary with trends of events and texts on defense topics are in heavy demand at the present time, Miss Dills said. This is true particularly in the northern part of the county where defense industries are booming and workers are using hundreds of library books on technological subjects as a result.

In the Redwood City area the biggest single demand is for reference texts on current state and federal civil service examinations for which many local residents are studying.

Lomita Park and South San Franciso readers are showing particular interest in books on aviation—both from the manufacturing and operation standpoints. Several county library texts on aerial navigation are being used by fliers who are studying for advanced-rating examinations.

One of the library's important functions is furnishing books to Community Hospital, the old people's home, detention home and the county jail. To the latter two go books that are ready for discard.

Daily shipments to schools and branches are made from the Redwood City office and each fills the request of a reader in some part of the county for a book on a particular subject. When the requests cannot be filled from the library's regular stock, the needed titles are borrowed from the state library.

Menlo Park To Send Eight to Service

Menlo Park Draft Board 107 will send eight men into military service as its quota this morning, July 11. The men will leave at 7:30 a.m. for the Armory at San Francisco for induction.

Those included in the quota are William H. Daseking, Box 268, Menlo Park; Joseph T. Notoro, Clarendon, Pa.; Elmer R. Hagen, Tacoma, Wash.; Boyd N. Champman, Russelville, Ky.; Glen D. Frank, San Francisco; Alvin Terry, Delevan; Howard F. Menge, Rt. 1, Box 348-M, Redwood City; Carl A. Bargen Jr., Box 783, Menlo Park.

Polish Refugees Seek Safety as Soviet Blitz Rumored

(NEA Radio-Telephoto)

Passed by the German censors and radioed from Berlin to New York, this picture shows a group of Polish-Russian refugees behind the German advance eastward, as German troops stand along the tracks.

Conference Scheduled On Bayshore Rerouting

Rerouting of the proposed Bayshore Freeway around Mills Field to permit future expansion of San Francisco's municipal airfield will be discussed by San Francisco and state officials in a meeting at San Francisco next Tuesday.

Mayor Rossi, in announcing the meeting, said that the meeting would be peaceful. State Public Works Director Frank W. Clark recently charged E. G. Cahill, San Francisco utilties manager, with unjustly criticizing the State Highway Commission on the rerouting problem.

Cahill yesterday admitted he had received a letter from Clark, in which the state offered to adjust the highway plans to conform with San Francisco's desires if the city would bear the added cost. He hadn't answered the letter, Cahill said, because "I was in Washington and the letter was mislaid."

But the city hasn't the $470,000 needed for the original rerouting plan, and Cahill will submit new plans for less expensive alterations of the freeway route.

Roads, Traffic

Early Start on Widening Of Highway Predicted

Early completion of the widening of El Camino Real through the city and start of an additional project that will carry improvement from Five Points south to the San Mateo-Santa Clara County line was forecast Monday by City Manager C. L. Dimmitt.

Dimmitt reported to the city council that he had received a letter from Col. John H. Skeggs of the State Division of Highways, informing him that a break in the divided highway to allow cross traffic from Dumbarton Ave. had been provided for in the plans.

The council suggested that the highway department also be requested to incorporate a crossing at Center St. due to current plans for extending it beyond the highway.

The council authorized Dimmitt and City Clerk C. W. Eltringham to enter into contracts with the state for maintenance of major streets and improvements to be financed by the city's quarter-cent share of the gas tax fund.

A formal resolution passed on motion of Councilman Floyd D. Granger authorized Dimmitt to erect a stop sign at the intersection of Perry St. and Brewster Ave.

City Atty. Albert Mansfield reported that the city had no ordinance requiring motorists to follow painted lines at curbs in parking their automobiles. He was authorized to draw up an ordinance that would regulate parking within the limits of guide lines provided on the streets and require parking as close to the curb as possible in sections where no lines were provided.

Famous 'Combine' Starred in Ice Show

You've heard about such famous combinations as Ham 'n' Eggs, Scotch 'n' Soda, Cops 'n' Robbers and Pen 'n' Ink.

Now meet another noted combine, the comic skating team of Shipstad & Johnson, funnymen of the Ice Follies of 1941, now playing nightly at Winterland, in San Francisco.

Eddie Shipstad and Oscar Johnson are co-owners of the amazing figure skating carnival, with Roy Shipstad. All three skate in the ice extravaganza, as well as supervise the production and business end of the show.

Eddie and Oscar are the Damon & Pythias of the figure skating world. They have been skating together for 12 years and are partners on and off the ice.

Despite the demands placed on the two by the triple-duty of business, teaching and performing, Eddie and Oscar thrive on the busy diet.

They are acclaimed as the greatest comedy team ever developed in the United States. In the years of partnership the two have perfected the art of comedy on skates to the 'nth degree.

Shipstad & Johnson yesterday drew attention to the first Ice Follies matinee, which is to be held Saturday, July 12, at Winterland. Another matinee is scheduled for the following Saturday afternoon to accommodate the many out-of-towners who have made inquiry.

The U.S. Army Signal Corps maintains a pigeon breeding and training center at Fort Monmouth, N.J.

View of Telephone Company's cable plow train in action. In one simultaneous operation this unique train cuts a deep furrow and buries twin telephone cables in it. Under favorable conditions several miles of cable can be laid each day.

It's America, 1941

The call is for ships—planes—a thousand kinds of production. Industry is under pressure. Communications are under pressure. Much of the "leg work" of the times is being done by *telephone.*

This country has the best telephone equipment in the world and this equipment has extra margins for growth and emergency. Both the growth and the emergency are here. The margins are being used.

We are setting up more. On the Pacific Coast, our company is engaged in one of the biggest plant expansion programs in its history.

Aluminum Drive

Council Approves Campaign, Now Set for July 21 to 26

Designated by the city council as official sponsor of the aluminum drive to be conducted here, the Redwood City Exchange Club will launch the campaign on July 21, and end it on Saturday, July 26, Joseph F. Dingman, committee chairman, said here.

The council took the action Monday on request of the Exchange Club.

The action followed the issuing of a proclamation earlier in the day by Governor Olson in which he designated the period July 21-26 inclusive as "Aluminum Gathering Week." He had been asked to do so by Mayor F. H. La Guardia of New York, U. S. director of civilian defense.

The local drive will be one of thousands in the nation. As the pools of used aluminum supplies accumulate in towns, villages and cities all over the country, the Office of Production Management will make provision for transporting the aluminum and channeling it for the various defense requirements of the United States.

Plans here call for people either to leave their aluminum at the collection depot set up in the Towne Motor Co.'s garage on Middlefield Rd. at Theater St., or to telephone that company or Dingman that aluminum can be picked up at homes or stores. Then on July 26, trucks manned by Boy Scouts will collect the aluminum from all parts of the town.

'Salad Fair' Set In Local Stores

Big and welcome news to the housewife is that during the coming week, the grocers of Redwood City with Best Foods Inc. are staging a Salad Fair! Stores will be attractively decorated and have suggestions for new and appetizing salads that are easy to prepare.

Redwood City is a large market for most salad ingredients—lettuce, celery, tomatoes, cucumbers, beans, peas, radishes, artichokes, asparagus and innumerable other fresh vegetables which are now plentiful as well as for fresh fruits—strawberries, raspberries, peaches, pears, plums, bananas, apples, apricots, pineapples, etc.

Many mothers have already learned the secret that youngsters love salads and will eat their tomatoes, carrots, asparagus and other vegetables when served with Best Foods Real Mayonnaise or Best Foods French Dressing, when they won't touch them when served alone. All the family loves fresh vegetables and fruits when served as salads!

Your favorite grocer invites you to come in during the Salad Fair and look over his tempting and delectable array of salad ingredients and Best Foods Dressings, as well as the many specials he will feature all during this sale.

R. C. Draft Quota Cut To Five for Friday

Only five men, instead of the original quota of 12, will go from the Redwood City Draft Board area into army training in the call today. Changing of the maximum draft age to 28 years eliminated five selectees who had been listed for the call, and two others were given last-minute deferments for dependency and physical disability.

Those who will leave for the San Francisco induction station on the 8:07 a.m. train Friday will be Genohie Garcia, 22, 912 Arguello St.; Robert E. Bielenberg, 24, 253 Robel Ave.; Burnell L. Zentner, 23, 923 James Ave.; John I. Inseth, 22, 511 Iris St.; Holger W. Nelson, 21, 1442 Gordon St.

County Transfers Funds for Relief

To enable the county to pay July old age benefits in full without waiting for delayed federal funds to arrive, the board of supervisors on Monday approved the transfer of approximately $21,000 from the general reserve for payment of benefits to 1200 cases in San Mateo County.

Old age benefit checks were due July 1, but the federal share of the money was not forthcoming from Washington. To prevent unnecessary hardship for recipients of the aid, County Controller Thomas J. Kane, Treasurer A. H. Sagehorn and Executive Frederick Peterson asked the board to transfer enough money from the reserve to make up for the federal share —$21,000, or half of the total benefits of $42,000.

Peterson said the board's action would enable the county to distribute the checks "immediately," starting this afternoon. The county and state money was already available.

The federal funds are expected to be available by next Tuesday.

The board appointed Supervisor Thomas L. Hickey to serve as a director of Joint Highway District 10, succeeding John A. Lynch, who recently resigned from the board.

On July 24, the supervisors will go to San Luis Obispo to meet with the State Highway Commission, which will decide how it will spend $5,000,000 appropriated by the federal government for elimination of "bottlenecks" in highways vital to national defense.

Although no such bottlenecks exist in the county, Chairman Fred E. Beer said the county would like to see highway problems in central coast counties, which affect the Peninsula, solved.

The Amazon, Orinoco and Parana-La Plata Rivers of South America together drain an area of about 3,700,000 square miles.

PUBLIC NOTICE

Lorenz Costello, Atty.
NOTICE OF TRUSTEES' SALE

On Monday, the 21st day of July, 1941, at 11 o'clock a.m., at the front door of the San Mateo County Court House, in the City of Redwood City, County of San Mateo, State of California, E. C. THOITS and T. C. CHRISTY, as Trustees, will sell at public auction to the highest bidder for cash, in lawful money of the United States, the following described real property situate in the County of San Mateo, State of California, and described as follows:

Lots numbered seven (7) to twenty-two (22) inclusive, in Block numbered seven (7) as shown on that certain Map entitled "North Fair Oaks, situated in San Mateo County," filed for record in the office of the County Recorder of San Mateo County, August 8, 1907, in Book 5 of Maps, at page 21.

EXCEPTING therefrom a portion of Lots seven (7), eight (8), and nine (9) in Block seven (7), conveyed to the City and County of San Francisco, and particularly described as follows:

BEGINNING at a point in the southeasterly line of 7th Avenue distant along said line Southwesterly 151.41 feet from its intersection with the Southerly line of Dumbarton Lane; said poing of beginning being the most Northerly corner of Lot numbered seven (7); thence Southwesterly 71.92 feet along Southeasterly line of 7th Avenue; thence Northeasterly 113.59 feet to a point in Northeasterly line of Lot seven (7); thence Northwesterly 88.25 feet along Northeasterly line of Lot seven (7) to the poing of beginning.

Said sale will be made to satisfy the obligations secured by and pursuant to the power of sale conferred in a certain Deed of Trust executed by Laura A. Motley and Albert J. Motley (her husband), as Trustors, to W. C. Thoits and Dicy A. Baugh, as Trustees, for the benefit and security of Palo Alto Mutual Building and Loan Association, a Corporation, dated March 29, 1929, and recorded April 6, 1929, in Volume 410 of Official Records, page 90, San Mateo County Records.

That H. P. Stevens was duly substituted as one of the Trustees under the terms of said Deed of Trust in the place and stead of said Dicy A. Baugh, by an instrument in writing and recorded in Volume 576 of Official Records, at page 169, San Mateo County Records; that thereafter E. C. Thoits and T. C. Christy were duly substituted as Trustees under the terms of said Deed of Trust in the place and stead of said W. C. Thoits and H. P. Stevens, by an instrument in writing and recorded in Volume 660, of Official Records, at page 262, San Mateo County Records.

Notice of Default of said obligation and election to sell said real property was recorded in the office of the County Recorder of said County, March 20, 1941, in Volume 951, of Official Records, page 72; This notice is given in compliance with the written application heretofore made on the Trustees by said Beneficiaries.

Dated: June 23, 1941.

PUBLIC NOTICE

PETITION FOR ANNEXATION OF TERRITORY

BEFORE THE SANITARY BOARD OF MENLO PARK SANITARY DISTRICT IN THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA.

IN THE MATTER OF THE PROPOSED ANNEXATION OF TERRITORY TO THE MENLO PARK SANITARY DISTRICT.

TO THE HONORABLE, THE SANITARY BOARD OF MENLO PARK SANITARY DISTRICT, IN THE COUNTY OF SAN MATEO, STATE OF CALIFORNIA:

We, the undersigned, owners of real property, situate, lying and being within the hereinafter described territory proposed by this petition to be annexed to Menlo Park Sanitary District, in the County of San Mateo, State of California, respectfully petition your Honorable Board, and pray that said hereinafter described territory be annexed to said Menlo Park Sanitary District, and that the boundaries of said District be thereby altered, and said territory be, and become, a part of said District; which said territory hereby proposed to be annexed is specifically described as follows, to wit:

All that certain tract or parcel of land contiguous to said Menlo Park Sanitary District, situate, lying and being in the Town of Atherton, County of San Mateo, State of California, bounded and more particularly described as follows:

Beginning at a point in the common boundary line of the Town of Atherton, San Mateo County, California, and of the Fair Oaks Sewer Maintenance District, San Mateo County, California, which point is identical with the most westerly corner of Lot 18, Atherton Heights, San Mateo County, California, as shown on map of same recorded in Book 21 of Maps at pages 44 and 45, official records of San Mateo County, California; thence on and along the westerly boundary line of Lots 18, 19, and 20 of said Atherton Heights subdivision north 20° 16′ 30″ east 749.2 feet, more or less, to a point in said boundary line; thence on and along the boundary between properties of Mabel and Catherine Leggett and Dorris Miller the following courses and distances north 85° 07′ west 262.25 feet, north 39° 15′ east 55.08 feet and north 50° 45′ west 231.65 feet, more or less, to a point in the northwesterly boundary of the Town of Atherton; thence northeasterly along said northwesterly boundary of the Town of Atherton 574.73 feet, more or less, to its intersection with the southwesterly line of the Polhemus Tract as shown on map entitled "Subdivision of the Polhemus Tract in the Rancho de las Pulgas" recorded in Book C of original maps at page 64, official records of San Mateo County; thence northwesterly following along said Town boundary line and the southwesterly line of said Polhemus Tract to the center line of Stockbridge Avenue, formerly known as Randol Avenue, as shown on said map of the Polhemus Tract; thence northeasterly along said northwesterly boundary of the Town of Atherton in the center line of Stockbridge Avenue, a distance of 570 feet; thence southeasterly at right angles to the center line of Stockbridge Avenue and crossing Lot 64 of said Polhemus Tract to the dividing line between Lots 64 and 63 of said Polhemus Tract; thence northeasterly along said dividing line between Lots 64 and 63 of said Polhemus Tract and its extension northeasterly crossing Alameda de Las Pulgas and Lot 54 of said Polhemus Tract to the dividing line between Lots 54 and 47 of said Polhemus Tract; thence southeasterly along the dividing line between said Lots 54 and 47 to corner common to Lots 54, 47, 48 and 53 of said Polhemus Tract; thence northeasterly along the dividing line between Lots 47 and 48 of said Polhemus Tract to the center point of said dividing line; thence southeasterly on a line parallel to the side lines of Lots 48 and 49 of said Polhemus Tract to the center point of the dividing line between Lots 49 and 50 of said Polhemus Tract; thence northeasterly along the dividing line between Lots 49 and 50, 44 and 43, 41 and 42, 36 and 35, 33 and 34, 28 and 27, 25 and 26, 20 and 19, 17 and 18, 5 and 4 of said Polhemus Tract, a distance of 3175 feet to a point in the dividing line between said lots 4 and 5 of said Polhemus Tract, 300 feet southwesterly from the southwesterly boundary of Selby Lane; thence southeasterly along a line parallel to the center line of said Selby Lane a distance of 167 feet to a corner in the common boundary line between the Fair Oaks Sewer Maintenance District and the Menlo Park Sanitary District; thence continuing southeasterly along said common boundary line between said Fair Oaks Sewer Maintenance District and said Menlo Park Sanitary District a distance of 533 feet to a point in the center line of Atherton Avenue; thence southwesterly along the center line of Atherton Avenue and said common boundary line 200 feet, more or less, to a point in said center line; thence continuing along said common boundary line of the Fair Oaks Sewer Maintenance District and Menlo Park Sanitary District southeasterly to the northwesterly boundary of the Quillota Tract as shown on map of said Tract recorded in Volume D of Maps page 32, San Mateo County official records; thence continuing on said common boundary line of said Fair Oaks Sewer Maintenance District and said Menlo Park Sanitary District southwesterly along the northwesterly boundary of said Quillota Tract and the southwesterly projection thereof to its intersection with the dividing line between lots 35 and 36 as shown on map of Atherton Acres recorded in Volume 10 of Maps Page 33, San Mateo County records; thence continuing on said common boundary line in a southerly direction along said dividing line between said lots 35 and 36 in Atherton Acres to the point of its intersection with the boundary line of the Town of Atherton in the center line of Camino al Lago; thence along said boundary line of the Town of Atherton and said common boundary of the Fair Oaks Sewer Maintenance District and the Menlo Park Sanitary District southwesterly on the center line of Camino al Lago to the northeasterly boundary line of the subdivision known as Menlo Heights, recorded in Volume B of Maps page 38, San Mateo County Records; thence continuing on said boundary line of the Town of Atherton and said common boundary of the Fair Oaks Sewer Maintenance District and Menlo Park Sanitary District, southwesterly along the center line of Reservoir Avenue to the center line of Altschul Avenue, southeasterly along the center line of Altschul Avenue to its intersection with the center line of Yedra Avenue and southerly along the center line of said Yedra Avenue to its intersection with the center line of Hillside Avenue, as shown on said Map of Menlo Heights; thence leaving the Menlo Park Sanitary District boundary but continuing along the common boundary line of the Town of Atherton and the Fair Oaks Sewer Maintenance District, southwesterly along the center line of Hillside Avenue to the northeasterly line of Lot 24, Map of the Bellevue Tract in the Pulgas Rancho, recorded in Volume E of Maps, page 30, San Mateo County Records; thence continuing along the common boundary line of the Town of Atherton and the Fair Oaks Sewer Maintenance District, southeasterly along said northeasterly line of said Lot 24 Bellevue Tract to the most easterly corner thereof; thence southwesterly along the southeasterly line of said Lot 24 to the most southerly corner thereof and northwesterly along the southerly boundary line of said Lot 24 to the southeasterly line of Lot 33 as said lot is shown on Map of the Mezes Ranch near Menlo Park, California recorded in Volume B of Maps, page 56, San Mateo County Records; thence continuing along the common boundary line of the Town of Atherton and the Fair Oaks Sewer Maintenance District, southwesterly following the southeasterly lines of Lots 33 and 32 of said Map of the Mezes Ranch to the most southerly corner of said Lot 32; thence northerly along westerly line of said Lot 32 to the most southerly corner of Lot 36 of said Map of the Mezes Ranch and thence northwesterly along the southwesterly line of Lots 36 and 39 to their intersection with the center line of Atherton Avenue Extension as shown on Map of Atherton Heights recorded in Book 21 of Maps, pages 44 and 45 San Mateo County Records; thence continuing along said common boundary line of the Town of Atherton and the Fair Oaks Sewer Maintenance District the following courses and distances: north 36° 28′ 50″ west 96.395 feet, north 6° 06′ west 60.833 feet, north 4° 31′ 20″ east 103.867 feet, north 20° 45′ 50″ west 160.637 feet, north 49° 54′ west 127.744 feet, north 22° 33′ 55″ west 64.83 feet and north 80° 01′ 15″ west 672.40 feet more or less to the point of beginning, the same being the most westerly corner of Lot 18 as shown on said Map of Atherton Heights.

And in this behalf your petitioners further respectfully show:

1. That said Menlo Park Sanitary District is a sanitary district situate in the County of San Mateo, State of California, incorporated, organized, and now existing and functioning under and pursuant to the provisions of that certain act of the legislature of the State of California, known as the "Sanitary District Law of 1923," approved May 17, 1923, and being Chapter 171 of the Statutes of 1923, as amended:

2. That the territory hereinabove described, the annexation whereof is hereby sought in and by this petition, lies contiguous to said Menlo Park Sanitary District, and all of said territory is within the County of San Mateo, State of California;

3. That each of your petitioners is the owner of real property situate within such contiguous territory so proposed to be annexed to said Sanitary District, and that the real property so owned by your petitioners represents, in the aggregate, at least seventy-five per cent of the total assessed valuation of the whole of the contiguous territory so proposed to be annexed, as shown by the last equalized assessment roll of the County of San Mateo, State of California;

4. That the total assessed valuation of said territory so proposed to be annexed, as shown by the last equalized county assessment roll is the sum of $674,220.00.

5. That the amount of real property owned by each of the undersigned petitioners, and the assessed valuation thereof as shown by the last equalized assessment roll of said County of San Mateo, is specifically set forth opposite the signature of each of your said petitioners hereinafter subscribed to this petition;

6. That the said territory so proposed to be annexed, hereinabove particularly described, is not within the limits of any sanitary district whatsoever.

And your petitioners herein and hereby give notice, and notice is hereby given, that at and in the meeting room of the Sanitary Board of Menlo Park Sanitary District, in the City Hall of the City of Menlo Park, in the County of San Mateo, State of California, on Thursday, the 17th day of July, 1941, at the hour of 8 o'clock P. M., of said day, or as soon thereafter as your petitioners may be heard, the within petition will be presented to said Sanitary Board for consideration and hearing thereon, at which time and place all persons interested may appear and be heard.

WHEREFORE, your petitioners respectfully pray that the territory, hereinabove described, be annexed to and included within said Menlo Park Sanitary District.

And your petitioners will ever pray, etc.

AFFIDAVIT OF PETIONER

STATE OF CALIFORNIA, City and County of San Francisco } ss.

WILLIAM B. TYLER, being first duly sworn, deposes and says:

That he is one of the petitioners of the above and foregoing petition and is one of the subscribers thereto; that affiant has read the above and foregoing petition, and knows the contents thereof, and the same is true, and all of the statements, facts and thing in said petition set forth are true of affiant's own knowledge; that affiant is familiar with the limits and boundaries of the territory set forth in said petition, the annexation whereof to the Menlo Park Sanitary District is by said petition asked and prayed for, and that affiant is acquainted with each of the petitioners whose names are subscribed to said petition, and knows the fact to be that all thereof were, when they, respectively, signed said petition, and ever since have been, and now are, owners of real property in the territory in said petition asked to be annexed to said sanitary district, and that the ownership of said real property by said petitioners represents, and is, collectively and in the aggregate, upwards of seventy-five per cent (75%) of the total assessed valuation of the whole of said territory so proposed to be annexed, as shown by the last equalized assessment roll of said County of San Mateo, and that the amount of real property owned by each of said petitioners, and the assessed valuation thereof, as shown by the said equalized assessment roll of said County of San Mateo are set forth opposite the respective signatures of said petitioners.

WILLIAM B. TYLER

Subscribed and sworn to before me this 11th day of June, 1941.

ELLA COOK KELLY,
Notary Public, in and for the City and County of San Francisco, State of California. My Commission Expires December 23, 1944.

Win State's Highest Honors In Ford Good Drivers League

California's 24 outstanding young safe drivers—the 12 boys and 12 girls who made the highest scores in a preliminary test taken by nearly 8,000 youngsters in this state alone—competed in Los Angeles this week for the 1941 Ford Good Drivers League championships. . . . When the day-long contests were over, judges selected Lyle Alkire of Eureka, and Winifred Burnham, Berkeley, for the titular honors. Top to bottom: Excited and thrilled the two 17-year old winners immediately began making plans for their next contest—the national championships at Dearborn, Mich., in August. . . . Spectators thronged the testing grounds to watch the 24 alert young finalists perform their exacting driving tests. . . . From Connie Flynn, 1940 Delaware champion, four excited young ladies learn how to become a champion. Left to right: Anna May Vaughan, Long Beach; Winifred Burnham, Berkeley, who capitalized on Flynn's advice and won the girls' championship; Vlasta McCollum, Tulelake, and Betty Green, Oakland. . . . A highlight of the contests for the 24 youngsters was the visit of Frank Morgan, witty Metro-Goldwyn-Mayer movie star. From the expressions of Warren Baldwin, left, Berkeley, and Emory Yount, Santa Ana, Frank apparently has just told one of his famous "yarns." Yount was the championship runner-up in the boys' competition.

99-Year Franchise Given Operator of Bus Lines

After several weeks of discussion, a final draft for the franchise to be granted R. F. Martin, operator of the Redwood City Bus Lines, was agreed upon by the Redwood City City Council at its meeting Monday night.

Over protests voiced by Councilmen Floyd D. Granger and George W. McNulty, the board agreed to issue the permit to Martin for a 99-year period.

Other matters handled included appointment of a new member to the city board of review and reappointment of a library trustee whose term had expired; discussion of transportation, zoning and recreation problems in addition to the usual run of routine business.

CONFERENCE HELD

The bus franchise was approved in substance by the board after Norman S. Menifee, attorney for Martin, City Manager C. L. Dimmitt and City Atty. Albert Mansfield arrived at an agreement on several points that were at issue in the original draft.

Chief of these was the demand voiced by Menifee that the franchise be issued for a period of longer than the 25 years proposed by Granger and McNulty.

After Mansfield and Mayor Harold F. Anderson pointed out that the council could at any time, under the terms of the franchise, terminate the agreement and could set all necessary standards for the operation of the bus lines within the city, the majority of the council agreed to issue the franchise for the 99-year period requested by Martin.

Mansfield reported that inasmuch as agreement had been obtained on all major points in the franchise, he would go ahead with the necessary legal details to complete the city's transaction with Martin.

MRS. KALENBORN RETAINED

On recommendation of Councilman McNulty Mrs. A. S. Kalenborn was reappointed to the Library Board of Trustees. Her term expired July 1.

Appointment of Willis G. Frost to the City Board of Review was confirmed on McNulty's motion after Leo E. Fuller, who was appointed to the post two weeks ago, advised the council that the schedule of his business would not permit his giving the necessary time to the board.

City Clerk C. W. Eltringham received the council's approval of his proposal to attempt to purchase from private holders some $17,000 worth of bonds still outstanding on the city's investment issue of 1941. He said considerable cost in interest payments could be saved if the bonds were purchased by the city and in addition some $75,000 now held in a bond redemption fund would be released for other purposes.

Councilman Granger asked the board to consider a program that would enable the city to require certain improvements to be made in subdivisions that were authorized in the future. He pointed out that the present Sweeney Subdivision on lower Broadway, within two blocks of the business district, is without sidewalks, curbs or gutters and there is no means of requiring their installation until a majority of the property owners can be brought into an assessment district. He said the condition in the Sweeney area was typical of several that prevailed in the city.

The council agreed and approved a plan whereby no future subdivision maps would be accepted until provision was made for curbs, gutters, sidewalks and other facilities the council deemed necessary.

"As it is now," Granger said, "the council has no control over these matters and unless we take definite steps to guard against similar abuses in the future, we'll not be able to maintain the high standards set for our residential districts."

Six Months' Sentence Given on Girl Charge

A six months' sentence in the county jail for contributing to the delinquency of a minor was meted out to Laurence Fields, 26, Redwood City cab driver, by Juvenile Judge A. R. Cotton on Monday afternoon. Fields pleaded guilty after a charge of child stealing had been dismissed.

Fields was arrested at Santa Cruz June 20 in company with a 15-year-old high school girl who had disappeared the previous day from the Redwood City home where she boarded. Judge Cotton gave Fields credit for time served in the county jail since his arrest.

WITH VEGETABLES FRESH-PICKED THESE DAYS FROM RADISHES TO BEANS TOSSED UP WITH ZESTY MAYONNAISE THEY'RE FULL OF VITAMINS
SO SING THE NEWS... LINE UP FOR TREATS... SEEK OUT YOUR NEAREST GROCER HE'S GOT SOME LOVELY SALAD EATS FOR VERY LITTLE DOUGH, SIR!
Best Foods REAL Mayonnaise
A QUART PINT BEST FOODS INC.

Big doings in the Salad world! "Salad Serenade Time" is your opportunity to get new salad ideas and to learn how much Best Foods Real Mayonnaise can do for your salads!

Best Foods *Real* Mayonnaise is different from "Salad Dressing." It is *all* mayonnaise—*real* mayonnaise—with *no starchy filler* in it. It doesn't turn watery when you add milk or fruit juices.

And this *Real* Mayonnaise *tastes even fresher than home-made*, for it is made with our own "FRESH-PRESS" Salad Oil which we ourselves prepare fresh each day, as it is needed. Then, in our powerful new kind of double-whipper the ingredients are so completely blended that *Real* Mayonnaise, with all its home-made richness, is even lighter and creamier in texture than home-made, and has a zestfully light, delicate flavor, free from oily taste.

"COME IN TODAY!"

TRY THIS RECIPE FOR A DELICIOUS SUMMER SALAD BOWL O' GREENS

2 small tomatoes
½ Spanish onion
½ cucumber, scored
½ green pepper
½ small head chicory
½ bunch radishes
1 stalk endive
½ small head lettuce
½ small head escarole
Best Foods Real Mayonnaise

Peel and chill tomatoes. Slice onion, cucumber, tomatoes and green pepper. Slice radishes half-way through. Arrange on crisp salad greens, leaving a space in the center for Best Foods Real Mayonnaise. Serves 6.
